As leaders, there is so much information coming at us every day – from so many different directions.

There's so much clutter, and so many voices saying much the same thing.

You can **BREAK THROUGH THE CLUTTER** and find up-to-date resources for ministry to a post-modern world at [NEXTWAVEONLINE.COM](http://NEXTWAVEONLINE.COM):

**Social Comment:** positive Christian perspectives on the issues of the week, by Mal Fletcher

**Leadership & Life:** articles on leadership issues from a proven pioneer leader

**Podcasts:** Mal's teaching, taken from some of the world's great churches and events, will inspire you for greater influence

**Interviews:** Mal has spoken to some of the world's leading futurists and Christian leaders; these sessions are totally unique on the Christian web.

**Video Training:** world-class teaching on leadership issues.

Many more great materials to enhance your leadership and communication.
